Along with this completed registration form you MUST include the following to be considered for a driver's education scholarship:

- Please explain why you are requesting a scholarship for your child to participate in driver education in 500 words or less. Please be as detailed as possible and include the below information.
 - Are you a single parent? If no, are you and your spouse both employed?
 - How many children are living at home and what are their ages?
 - What, if any extracurricular activities does your child participate in?
- Copies of Government Forms/Letters showing your hardships (full/reduced lunch program, food stamps and other financial support from the local, state or government)
- Letter from an Administrator (Counselor, Assist. Principal, Principal, or Superintendent) from your student's school on District Letterhead indicating why your student is deserving of a scholarship. We would like to hear from the administrator how your student is doing in school as well as any other information they wish to provide us. Please have this person include their contact information in the event we need to ask some more questions.

All Star Driver Education will not consider granting a scholarship to any child who does not obey school rules, maintain adequate grades, and does not actively respect their teachers and peers.

Please mail, fax, or email this completed form along with the documents above to:
