All Star Driver Education, LLC (ASDE) will provide a minimum of 32 hours of instruction. Instruction shall include 8 hours behind-the-wheel (BTW) instruction and 24 of classroom time completed during the hours set by the school. ASDE will conduct the BTW instruction in a dual-controlled automobile that is insured by the Provider to cover each student enrolled in the program. The school will provide the certified instructor, vehicle, and fuel for the driving instruction. No instruction shall commence until the student has paid all fees in full, this fully signed contract, and has submitted a photocopy of his/her valid temporary permit or birth certificate showing the student is at least 15 years and 5 months old. **The student must complete the 24 hours of classroom in order to begin the eight hours of behind-the-wheel training.**

Refund Policy: No refunds are permitted once a student has begun the class. Refunds will be processed in full if a class/service is cancelled by ASDE. Refunds take 7-10 business days to process and will be returned back to the card used for original payment. No refund will be issued if the student is expelled due to disciplinary reasons. To learn more about our discipline policy, please visit the FAQ's on our website, or contact our Corporate Office.

Missed Days and Make Up Days: Students are expected to be present for every class and drive time, unless there is good cause for an absence. If a student misses any class time, it must be made up at a future class, the student must make up the exact hours of class that were missed to be sure they cover the exact material that was missed. **NO CERTIFICATE WILL BE ISSUED UNTIL ALL COURSE WORK IS COMPLETE.** If you no-show for a drive time you will be subject to a **\$30 no-show fee per scheduled hour.** In case of emergency, you must call your classroom instructor, without this contact you will be subject to the no-show fee for missed driving. It is **imperative** that students arrive on time for their scheduled driving; if your student is not there when the instructor departs for the lesson is it considered a no-show and you will be charged a \$30 fee per scheduled hour.

Materials: You will be provided a textbook for this class; each student can keep their textbook. If a physical textbook is misplaced during the course, an additional book may be purchased for \$30. The textbook should be brought to every class and drive session. Failure to bring the book to a drive will result in a \$5 no-book fee.

Requirements to Pass Driver Education: The student will be allowed up to 3 attempts to pass the State Exam, which requires a score of at least 75% or higher. As a student you will be required to participate in all 24 hours of classroom instruction as well as the 8 hours of behind the wheel training. You will be expected to complete all chapters of reading and activities assigned to you throughout the session. Each student must show a good faith effort during the 8 hours of behind the wheel instruction. Failure to complete these terms will result with not receiving a certificate until all requirements are met. If the student fails the test 3 times, the student must retake the course free of charge. **If you do not finish the entire course (classroom, behind the wheel, course work, test) within 180 days from your first day of class, you will not be allowed to finish and you will be required to retake the entire course at full cost.**

Certificate of Completion: Due to the process of ensuring that every student has received the correct amount and content of instruction, as well as recording the details of the instruction, it may take up to 2 weeks to receive a certificate after completing the course requirements. It is not recommended to schedule a road test before receiving the completion certificate. If a Certificate of Completion is misplaced or destroyed, there is a \$15 fee to replace it.
