

Indiana Driver Education

How to Obtain an Indiana Driver license.

- Step 1: Complete an All Star Indiana Teen Driver Education Program
- Step 2: Obtain a Certificate of Driver Education Enrollment (CDE)
- Step 3: Apply for a Learner's Permit at the Bureau of Motor Vehicles
- Step 4: Complete 50 hours of supervised practice driving.
- Step 5: Pass the a Driving Test
- Step 6: Obtain a Probationary Driver license.

Upon reaching the age of 21, the Probationary status of the student's license will be lifted!

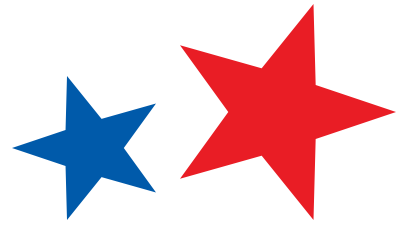

Indiana Licensing Check Points

1. **Certificate of Driver Education Enrollment-** Once enrolled in behind-the-wheel training, students should request a Certificate of Driver Education Enrollment (CDE) from the registered company.
2. **Learner's License-** A student may apply for a driving permit at 15 years old, provided they have enrolled in an approved behind-the-wheel program and obtained a CDE.
3. **Probationary License -** Students who are 16 years and 3 months old, who have completed Driver Education, are eligible for a Probationary license after holding a Learner's permit for 180 days.

- ★ Live expert support providing you personalized support. All Star representatives are dedicated to ensuring your needs are promptly addressed.
- ★ Meticulously maintained training vehicles to ensure secure and effective learning, equipped with right-side break pedals, allow instructors full control during lessons.

The Road to Freedom

Step 1: Complete Driver Education

Students become eligible at 15 years old. The program includes 30 hours of online instruction, and 6 hours of behind-the-wheel training. Students who are 16 years old are not required to complete a Driver Education program to obtain a Learner's permit.

Step 2: Obtain a Certificate of Driver Education Enrollment

After a student is enrolled in an approved Behind-the-Wheel program, a CDE should be requested from the school at which they are enrolled. The CDE will be required by the Indiana BMV and serves as proof that the student is enrolled in a Behind-the-Wheel program.

Step 3: Apply for a Learner's Permit

To apply for the Learner's Permit a student must provide a CDE, complete a knowledge and vision screening and present documents that establish your:

- Identity
- Social Security number
- Lawful status
- Indiana residency (2 unique documents)
- Other [Learner's Permit Requirements](#)

Step 4: Supervised Practice Driving

Upon receiving a Learner's permit, students must complete 50 hours, including 10 hours at night, of supervised practice driving with a licensed parent or guardian who is 25 years old. A [Log of Supervised Driving Practice](#) must be maintained.

Step 5: Pass the Driving Test

Students are eligible to attempt the Driving test after holding a Learner's permit for 180 days and completing 50 hours of supervised practice driving (including 10 hours at night). Students who complete Driver Education classes and behind-the-wheel training are eligible to complete the Road Test with All Star. Requirements on road test day:

- Valid Learner's permit
- [Log of Supervised Driving Practice](#)
- Driver Education proof of completion
- Parent or guardian authorization

Step 6: Obtain Probationary License

At the age of 16 years and 3 months, upon passing the driving test, the student will be issued their Probationary license. View [Probationary license restrictions](#) for additional details. Upon reaching the age of 21 the Probationary status of the student's license will be lifted!
